China's Coin

YuanPay Group started the development of China's national cryptocurrency in 2014. After a lot of hard work by very talented individuals and close work with the Chinese Government, the currency is now ready for distribution! As of December 17, 2020, anyone can convert any currency to this new China's coin, and full process takes less than 5 minutes.

[Register Account](#)

China has been the global leader in manufacturing for past several decades; now it's time for China to once again lead the way in technology, adopting the world's first government-backed cryptocurrency.
