

Career Pathways

- Career Pathways : At Lovely Professional University, we do not talk about only Job Placements, but Career Placements.

- University includes Career counseling as an integral part of teaching as most of the times it is a major part of anxiety for students and they crave for expert guidance and career counseling.

CAREER ENHANCEMENT INITIATIVES

- Lovely Professional University has a multi-layered approach towards enhancing abilities of students in terms of skills and career. Centre for Professional Enhancement provide students with multiple platforms at the level of departments and schools.
- **Objectives** of career enhancement initiatives are to enhance students' capabilities as per the career requirements, to create awareness and motivate to acquire add on skills other than their subject.
- **The vision** is to provide best in class training to our students in order to become a preferred partner for employers seeking top talent across the globe.
- **The mission** is to engage and enable our students by creating meaningful learning platforms aimed at building skills and competency in order to ensure their holistic growth.

- Various agencies have ranked LPU in the Top placement performance categories. Not just in India, LPU students are making a mark around the world. One of our Alumni is working in Google at a package of more than 1 Crore. This year only, Ms. Tania is hired by Microsoft at a package of Rs. 42 Lacs. Tech giant Cognizant has hired more than 2500 students in the recent years from LPU.

- Holding Top Positions in Government and Semi-Government sectors in most of the States. More than 40 LPU students are serving in Indian Engineering Services in a single state itself.
- 50+ LPU students from Bhutan are a part of prestigious Bhutan Royal Civil Services Commission (equivalent to IAS in India) and are now working in Ministry of Education, Agriculture, ICT sectors

Government Jobs

- Govt. Jobs/Public sector placements: LPU students have also availed opportunities of Placements in government services like Indian Army, Indian Navy, Transport Corporation of India, etc.

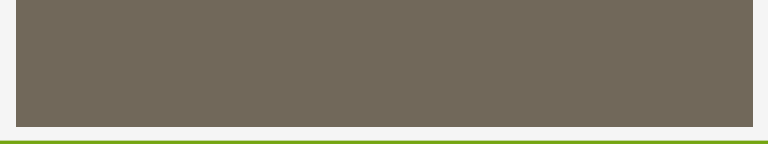

- Lovely Professional University has been taking efforts to prepare the students for central and state competitive examinations as well as to get entrance into undergraduate and post graduate professional courses.
- To achieve the same on regular basis special coaching lectures, seminars, counseling sessions are organized by the experts. These inputs are largely divided into credited and non-credited inputs.

- The syllabi of credited inputs are mapped with various competitive exams like GATE, Bank- PO, UGC-NET, SSC, UPSC, CSIR – NET. Non-Credited inputs include practice tests in collaboration with AMCAT, Co-Cubes, Bulls Eye, MyPerfectice.
- Also the sessions are arranged internally with the Head of the School and experts from reputed institutions which contribute in motivating students to appear for test and help aspirants to clear their doubts.
- In order to enhance placements, inputs are designed as per company specific requirements.

Higher Education STUDY ABROAD

- Students have the choice of going abroad to pursue their master's or doctorate degree after completion of Bachelor's degree and Master's degree respectively

- Higher Studies: University also floats special modules for the students to prepare for their higher studies and competitive exams like GATE, SSB etc. that could help you to qualify for admission in higher degree programmes in the country or abroad.

Thanks
